

LOCAL COMMUNITY

The David Livingstone Trust is currently restoring and developing **David Livingstone's Birthplace and Parkland** and making it more accessible and interactive for our communities. We hope to re-open in Summer 2020.

We want this to include a re-furbished **Exploration and Imaginative Play Park**, themed around Livingstone's African expeditions.

OUR AFRICAN COMMUNITY

David Livingstone's Birthplace is a **natural meeting place** for African visitors to Scotland, providing the historical context to establish and strengthen our international relationships.

Livingstone's **friendships** with the people of Sub-Saharan Africa have created enduring relationships for Scotland, particularly between Malawi and Zambia.

TOGETHER

Investing in our community matters.
Investing in our young people matters.

Our play park in Blantyre has always been a firm favourite and popular spot, but is long overdue a major update.

We have co-designed the new **Exploration and Imaginative Play Park** with the local community to provide equipment catering for their needs.

It will also enable health and well-being activities, help foster community relations and support the Trust's charitable aims of providing a free public park.

PLEASE HELP by sponsoring any of the following in-kind support or pieces of equipment. Please enter your sponsorship below and return the form to Isabel at isabel.bruce@dltrust.uk

While a guide price is given, any sponsorship is very welcome. As a supporter your name/logo will be displayed in the new **Exploration and Imaginative Play Park**.

If you have any questions, please do not hesitate to contact Isabel.

OUR PLAY PARK APPEAL

Dear **Community Member**,
YOU can be part of the re-development of our **Exploration and Imaginative Play Park**, themed around Livingstone's African expeditions.

After thorough consultation with the local community in designing the FREE! Exploration and Imaginative Park we now have a design we believe to be exciting, fun and sustainable for our local community to enjoy. Our vision for the Play Park also includes it being a prime destination for tourists from further afield to come and enjoy as part of their journey through Scotland.

With a price tag of £115,000 and only £35,000 secured we have a significant shortfall to make this happen. We now invite you to show your support to the local community by sponsoring part of the equipment in this **FREE PUBLIC PARK**. Donations range from £250 and you will have your name and logo displayed.

HELP US provide a free public park for the **BLANTYRE COMMUNITY**.

Thank you in advance for your support and for making a difference in our community.
